

Next year, 2014, the **New Orleans "WHO DAT" Chapter** will be hosting **2 two-day Workshops** with speakers from National AAPC in regards to the **ICD-10** Code set. This is the same training that National is offering at various locations around the country. This means less travel for the same information and at a discounted price compared to the National Workshop. Registration is limited to the **first 50 PAID IN FULL AAPC Members for each of the two Boot Camp sessions**. Depending on the local interest, we may be able to **add more workshops as needed** to accommodate the chapter members.

Location: Ochsner Medical Center, Brent House Conference Center, Caldwell Classroom

Cost: AAPC members: \$200 which includes: *continental breakfast, afternoon snack*, training manual and ICD-10-CM codebook. **16 AAPC CEUs** **LUNCH ON YOUR OWN**

Please fill out and send back the section below. Make sure you indicate which session you are registering for. **Registration will end February 1, 2014 for these two ICD-10 Boot Camp sessions**, or as soon as they are filled up. If there is enough interest, the chapter will make arrangements for additional sessions. **Refunds will not be given for no-shows.** **Please only send checks or money order, payable to American Academy of Professional Coders New Orleans Chapter.**

You will be provided a confirmation email upon Chapter receipt of your payment.

Send the registration to: Georgia de La Barre, 2736 Amigo Avenue, Marrero, LA 70072 OR you can bring your payment with registration form to one of our Chapter meetings before February 1.

There will be **NO registration at the door**. If you have any questions please contact Georgia de La Barre at 504-842-5440 or 504-458-6578; email: gdelabarre@cox.net or gdelabarre@ochsner.org. Please specify session you wish to attend; registration is limited to 50 per session. You may send ½ the cost now and the remainder by February 1, if you like, but all fees are non-refundable.

Name: _____ **Member ID:** _____
Address: _____ **City:** _____ **State:** _____ **Zip:** _____
Amount Enclosed: _____ **Contact Number(s):** _____
E-Mail Address: _____

Choose session: **March 8 & 9, 2014 FULL** **April 12 & 13, 2014 (full days)**

IMPORTANT: This event is for AAPC members only. **Non-members need to join the AAPC prior to registration (Cost \$125 for a 1-year membership) at AAPC.com**

The ICD-10 Proficiency Assessment Test (not included):

Current AAPC certified members beginning October 1, 2013 to September 30, 2015 must take and pass an open-book, online, unproctored assessment. (Excludes CIRCC, CPPM, and CPCO)

- 75 multiple choice questions
- 3.5 hours to complete test
- Coders will have two (2) attempts at passing (reaching an 80% score) for the \$60 administration fee
- ICD-10-CM only (ICD-10-PCS will not be covered in the assessment)
