AUDITCON 2025

San Diego, CA | Hybrid event | October 9-10 | 12 CEUs

Whether you're looking to sharpen your auditing, stay ahead of industry changes, ensure compliance in an evolving landscape — or you're just curious about a new career path, AUDITCON is designed specifically for you, with tracks for seasoned pros or fresh newbies alike.

80% of attendees have their costs covered by employers.

Why? The education at AUDITCON 2025 delivers real value — not just to you, but to the whole office. It helps your office stay compliant, reduce risk, and improve accuracy in auditing processes.

Bring it all back to the office:

- Stay ahead of regulatory changes
- Enhance audit accuracy and efficiency
- Leverage new technology for smarter auditing
- Earn 12 CEUs and expand your expertise

Tips on getting support:

- 1 Be prepared.** Once AUDITCON 2025 agenda is live, review it and highlight sessions that align with your role and your organization's auditing needs.
- 2 Present the value:** Explain how attending will improve audit outcomes and help your team maintain compliance. You can also share key takeaways to benefit the entire organization.
- 3 Focus on continuing education.** The event offers 12 CEUs, a cost-effective way to stay current on auditing trends and best practices.
- 4 Stay connected:** On-site Wi-Fi ensures you can stay on top of your job while attending.
